Resolved

1. THAT the pension plan for employees of International Fisheries Commissions described in INPFC Document, Serial No. 2 dated January 17, 1957 and now in effect in other International Fisheries Commissions whose headquarters are in Canada be approved and accepted by the Commission for its employees, and that the funds required for the Commission's share of the cost of this plan be provided in its budget each year;

2. THAT International Fisheries Commissions Pension Society, the Canadian corporation referred to in INPFC Document, Serial No. 92 dated August 22nd, 1957, be requested to enter into and administer a contract with the Sun Life Assurance Company of Canada to provide a pension plan for the Commission's employees similar to that referred to in 1 above, the plan to be brought into effect in the Commission on July 1, 1958 or as soon thereafter as is feasible; and

3. THAT the Executive Director be instructed to communicate this Resolution to the aforesaid Society without delay.
