INTERNATIONAL NORTH PACIFIC FISHERIES COMMISSION

ANNUAL MEETING - 1957

COMMITTEE ON FINANCE AND ADMINISTRATION

DRAFT STANDING RESOLUTION TO

ESTABLISH A POLICY FOR THE

PUBLICATION OF SCIENTIFIC AND

STATISTICAL REPORTS

Resolved:

1. THAT the Commission, as a matter of principle, shall publish reports of the results of the scientific investigations conducted under its research program and annual compilations of the statistics of fisheries of joint interest in the Convention area.

2. THAT funds for the publication of such reports shall be provided for in the budget estimates submitted to the Contracting Parties by the Commission.

3. THAT the Committee on Biology and Research shall develop and recommend to the Commission procedure for the preparation and editing of such reports.

4. THAT the Executive Director shall be responsible for expediting the preparation and publication of such reports.
