	Mothership fishery				North Pacific Trawl Fishery				North Pacific Longline-Gillnet Fishery	
	Mince Fleet		Other Fleet		Mince vessel		Other vessel			
	Vessel day	Catch (m.t)	Vessel day	Catch (m.t)	Vessel day	Catch (m.t)	Vessel day	Catch (m.t)	Vessel day	Catch (m.t)
1973	15,306	1,047,195	2,482	51,378	4,270	565,780	1,391	36,144	586	3,865
1974	13,155	888,412	3,428	61,467	4,376	476,983	1,884	27,916	461	4,938
1975	11,590	712,136	3,848	71,235	4,329	401,563	1,562	22,647	600	4,240
1976	11,201	680,091	3,395	78,578	4,144	370,773	2,521	37,917	978	7,196

2. Northeast Pacific Region

	North Pacific Trawl Fishery		North Pacific Longline-Gillnet Fishery	
	Vessel day	Catch (m.t)	Vessel day	Catch (m.t)
1973	4,598	123,348	2,866	25,898
1974	4,160	130,071	3,175	24,705
1975	4,194	88,297	3,395	24,905
1976	3,360	86,662	3,005	23,769

- Note
1. The year indicated is the fishing year from November in the previous year to October.
 2. Vessel-days are those actually operated.
 3. Three mothership fleets have been replaced by 16 North Pacific trawlers which are permitted to operate only in the area licenced to the mothership fishery since August of 1976.
